

# Accelerating People to the Extraordinary

- ▶ Boosting employee engagement in your small to midsize business will make a huge difference

**One in six employees is disengaged.** But in a company of 1,500 employees, those disengaged few can have a significant impact.

- ▶ Aon Rapid Engagement is a cost-effective employee survey with robust analytics

Our validated engagement model and deep analytics help you accelerate your employee experience and prepare an agile workplace for now and the future.

Eligible to Aon Best Employers certification

**BEST**EMPLOYERS
